

FLOAT SWITCH

Art No: HM-1C10M-R

Small size; only \varnothing 76 mm

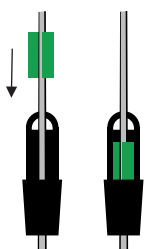

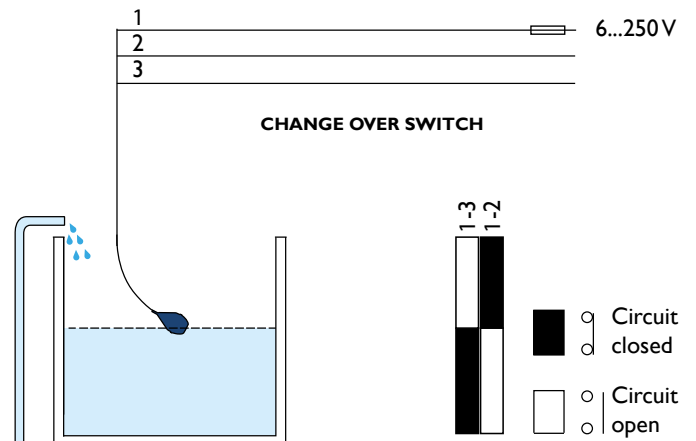

Change-over contact (NO/NC)

10m EDPM cable

Technical data HM-1C10M-R	
Switching element	micro switch
Rated voltage	6...250 VAC
AC current rating	6A resistive load, 3A inductive load
Max pressure	200 kPa
Protecting class	IP68
Temperature range	+55° C
Weight	1,25 kg
Float size	Height 140mm, \varnothing 76mm (max)
Float buoyancy	2 N (200g.)
Float material	Polypropen (PP)
Cable	10m EPDM (Rubber)

CIRCUIT DIAGRAM

Wall bracket is included
The hanging loop are fixed to the cable with a clamp wedge.

Weight 400g. is included
(size: \varnothing 55x100mm) fix to the cable with a clamp wedge.
